The WORD of God

Your god is your belly  
Fast and pray for the next 40 days.

Early this morning between 3 and 4 am I was in prayer when the Lord spoke in a very profound way concerning our Nation and the people of God in the USA.

This is what the Lord was saying, "Your god is your belly. So I am calling a fast of 40 days to repent for the sins of this nation. Why do my people falter between two opinions? Who are they going to serve, are they going to serve their belly and mammon, or will they serve Jehovah God?"

1 Kings 18:21 And Elijah came to all the people, and said, "How long will you falter between two opinions? If the LORD is God, follow Him; but if Baal, follow him." But the people answered him not a word.

God was saying that there will be an execution of false priests like that the prophets of Baal and the kings who have not fulfilled their commission. I am bringing the church the people to the valley, the brook where the false prophets and false gods will be executed. Exposure, exposure of things and people, the light will come to reveal the dark and hidden things.

1 Kings 18:40 And Elijah said to them, "Seize the prophets of Baal! Do not let one of them escape!" So they seized them; and Elijah brought them down to the Brook Kishon and executed them there.

God is rebuilding the altars of worship, the altars of sacrifice, the altars of holiness and the altar of justice in this land. It will come suddenly and swiftly. This is the time to rebuild the altar of right relationship with God and man. REPAIR THE ALTARS OF YOUR LIFE. God is very **passionate** about the children that are blood bought, who have been struggling due to various hindrances in their lives. He himself is restoring your life and putting the pieces together. There are many lives where the altars of sanctity have been destroyed by the enemy. But God is restoring the altars in your life. He is bringing you back to health, wealth, relationships and everything that has been torn down by the work of the enemy. All is being restored in this season. God passionately desires to rebuild you and bring you back to the place of Worship.

1 Kings 18:31 And Elijah took twelve stones, according to the number of the tribes of the sons of Jacob,... 32 Then with the stones he built an altar in the name of the LORD; and he made a trench around the altar...

We are seeing the cloud "as small as a man's hand rising out of the sea," but there is coming an abundance of rain - the latter rain and the former rain together in one month. We are going to see unprecedented rain of His glory and grace. A time of (Act 4:23) great power and great grace was upon them all. All lack is going to vanish in the light of Gods provision. Let the weak say I am strong and let the poor say (Mk 11:23) I am rich; for this is a season to rise and shine for the Glory of the Lord has risen upon us (Is 60:1). Start hearing the sound of the abundance and start seeing the rain.

The WORD of God

1Kings 18:44 “There is a cloud, as small as a man’s hand, rising out of the sea!” So he said, “Go up, say to Ahab, ‘Prepare *your chariot*, and go down before the rain stops you.’” 45 Now it happened in the meantime that the sky became black with clouds and wind, and there was a heavy rain.

God is speaking in the stillness of the night and in the quietness of the hour. A calm and a lull is coming upon us. Through this stillness God is going to speak clearly to his servants about the end time plan of God even for this nation. Much drama and noise has been surrounding you, but I am now coming in a new way, in a new dimension, in the stillness of the heart, in a gentle wave of solitude I am coming. Be still and know that I am God.

1 Kings 19:11 Then He said, “Go out, and stand on the mountain before the LORD.” And behold, the LORD passed by, and a great and strong wind tore into the mountains and broke the rocks in pieces before the LORD, *but* the LORD *was* not in the wind; and after the wind an earthquake, *but* the LORD *was* not in the earthquake; 12 and after the earthquake a fire, *but* the LORD *was* not in the fire; and after the fire a still small voice.

The USA as a nation has let businesses and policies determine the life line given out to nations, companies and people that were to be shut down. They did not follow my command but instead followed their own will. They knew that My Hand brought them into their provision and given the necks of the enemies into their hands. But they have not executed justice and judgments as I have insisted; instead they have let the wicked go free. They have let them live and pardoned their sins.

1 Kings 20:42 The prophet said to him, “This is what the LORD says: Because you have spared the man I said must be destroyed, now you must die in his place, and your people will die instead of his people.”

But since systems, institutions and leaders under God’s judgment were allowed to live, now the economy of the USA and security of the USA are required. *Now they have to pay the penalty for failing to restrain or destroy the lawless ones* . The day President Bush steps down from the office will mark a new reign of terror and violence in this land.

1 Kings 20:39 39 As the king passed by, the prophet called out to him, “Sir, I was in the thick of battle, and suddenly a man brought me a prisoner. He said, ‘Guard this man; if for any reason he gets away, you will either die or pay a fine of seventy-five pounds of silver!’ 40 But while I was busy doing something else, the prisoner disappeared!”

“Well, it’s your own fault,” the king replied. “You have brought the judgment on yourself.”

41 Then the prophet quickly pulled the bandage from his eyes, and the king of Israel recognized him as one of the prophets.

We invite you to join in these 40 days (July 18 – August 28, 2008) of fasting and prayer for our nation, and ask for God’s mercy. (Young people can fast at least one meal a day, fast as the Lord leads you).
