## FAQ – EVANGELISM TRAINING & OUTREACH

### **What ages are appropriate for this event?**

We recommend middle school and older.

### **How will this event be chaperoned? Meals and transportation?**

You will be responsible for providing at least 1 adult chaperone for every group of 8 youth under the age of 18. Your chaperones and group leaders will provide transportation for your own youth to the training and outreach. **Also be sure you make arrangements for your group to bring provision for purchasing lunch.** A Burger King is located nearby the facility, as well as nearby Subway and Cici's.

### **Who provides the training?**

Pastor Ron Watty of the New Life Church, head of the Foot Soldiers Revolution will be providing the leadership to train and equip and oversee these evangelistic teams.

### **Who leads the outreach teams?**

We have a team of local church and outreach leaders who are ready to accompany the teams during the outreach. A trained, mature adult leader will lead each group on their neighborhood outreach. Each of these leaders has completed evangelism and leadership training and have years of experience serving in youth leadership and evangelism.

### **Where will the outreaches be?**

Each team will visit door to door in a designated neighborhood within a 10-mile radius of the GRACE CENTER. Each neighborhood has been visited by previous evangelism teams and has a "host contact family" for follow up. We plan to do these outreaches one Saturday each Month.
